

Maine Merits Community Scholarship Program

The Technical and Trade Scholarship

This award is presented to a Southern Maine student pursuing further training in a technical field. This is an opportunity for students who opt for a vocational career, whether it be in plumbing, carpentry, electrical, aesthetics etc., this award supports those in our community who have set their sights on an education/training path to pursue their future. The scholarship is awarded to a student that is accepted to a 2 or 4-year college, apprenticeship, post-secondary certificate program or for a student entering the workforce in their field of study. The scholarship award can be used to purchase tools or equipment that support their initial entry into the workforce.
